FOREWORD

We have arranged for you to be taken through this 1962 edition of the Green Lantern by our school mascot--the hornet. You will find him on each division page and pointing out other matters of interest throughout the book.

The hornet is symbolic of the faculty and student body of Green Valley High School--ever buzzing from one task to another.

We hope you enjoy your journey!

We the class of 1962 dedicate the GREEN LANTERN to the cooks---Mrs. Clara Tebben, Mrs. Josephine Lay, and Mrs. Alva Sloter. In this way we wish to express our appreciation for their friendliness and helpfulness to us for the past four years.

CLASS WILL

I've been busy getting the inside dope on what the seniors are bequeathing. Recorded here are their wishes. We, the Senior Class of 1962, being of sound mind and memory, do declare this to be our last will and testament.

I, Donald Cooling, bequeath my ability to keep quiet in Math Class to the girls in the Freshman Class.

I, Amos Foster, bequeath my pen and paper to Diana Weyhrich so she can write more letters to "Sammy."

I, David Flairty, bequeath my worn out slide rule to the future Physics class.

I, Darlene Gerietts, bequeath all the satisfaction I have obtained from high school to anyone who is willing to work for them.

I, Cheryl Griffin, bequeath my ability to go steady with one boy to Margie Cherry.

I, William Hartwig, bequeath my ability to get along with the girls to Archie Mangold.

I, Jerry Hayden, bequeath my ability to maintain passing grades in high school with the least possible amount of studying.

I, Nicky Hayden, bequeath my ability to not have to work hard in practice to the coming times of G. V. H. S.

I, Dee Ann Jones, bequeath my ability to not get along with the teachers to Janan Mason.

I, John Knight, bequeath my ability to laugh off assignments to anyone who has a good sense of humor.

I, Anna Lou Lay, bequeath my pleasant disposition to Jeanne Worner.

I, Corrine Mitchell, bequeath my ability in gym to Linda Jackson.

I, Karen Nelson, bequeath my sense of humor to Connie Coleman.

I, Sharon Nelson, bequeath my ability to bake a cake for the bachelors to the Home Economics Classes.

I, Sharon Rampley, bequeath my A's in Spanish to Janan Mason.

I, Francis Stadsholt, bequeath a filing cabinet to Mr. Heffron for all my excuses.

I, Jo Ann Weyhrich, bequeath my car to the Senior Class of 1963 in case they lose one when selling ads.

PROPHECY

Hi! Here I am again! Come now and gaze with me into my crystal ball and we'll see what these graduates will be doing in 1980.

As we start from Green Valley on a trip around the world, we look around the airfield and spot John Knight checking out our airplane. As we board and get seated, the pilot, Don Cooling, announces our departure time. On this flight we have the pleasure of meeting Anna Lou Lay, who is on her way to Moscow to sing for Mr. Khrushchev. Just before we take off, we are attended by two stewardesses, who are our classmates, Sharon Ramply and Corrine Mitchell. After our departure we head south and fly over Texas where we see the cattle ranch of Amos Foster. Now flying due east, we look downward over the long race course of La Manns, Italy, where we find Nick Hayden running his own auto racer assisted by William Hartwig as chief mechanic. We receive a report about the U. N. Conference from Sharon Nelson, who is U. N. Secretary, saying peace is in sight. We again turn southward into the desert of Arabia where we find Jerry Hayden drilling for oil which will probably be used on the ship of another friend, David Flairty, a Lt. in the Navy. We are now over the states once again and nearing an exclusive girl's college, where P. E. Instructor, Darlene Gerrietts and a Business Education Teacher, Jo Ann Weyhrich work. Returning to our town, we find a sign which reads- "Cheryl Griffin, Beautician." As we enter her shop, we greet two housewives, Francis (Stadsholt) _____ and Dee Ann (Jones) _____, getting the latest "dos." Our trip is completed when we talk to Karen Nelson, who is home on leave from the Wac's.

Knowledge...the key to your future!

Wise men know that knowledge is the key to the future. Knowledge is a search for truth . . . and truth is sometimes stranger than fiction. Happenings in the world today are more unusual and exciting than any mystery novel. The world is big . . . complex . . . strange . . . and yet it has a fascinating story to tell.

True adventures are waiting for you in the great books of learning. All the world's knowledge, wisdom, and experience are yours for the taking. All the wonders of our age are at your fingertips.

High school and college offer you this knowledge in courses like physics, history, chemistry, English, biology, and mathematics. In these courses you can better understand things such as sound and sight, atoms and anatomy, equations and electrons, government and grammar, or many other phenomena of nature and society.

Today . . . business and industry require an increasing knowledge of the world about us in jobs offered to young people. Tomorrow . . . even more education and training will be needed!

Such preparation today . . . can mean much to your success tomorrow.

the man who knows . . . gets ahead!
